### About Orbit Garant

Orbit Garant is one of the largest Canadian-based drilling companies, providing both underground and surface drilling services in Canada and internationally through its 134 drills and more than 500 employees. Orbit Garant provides services to major, intermediate and junior mining companies, through each stage of mining exploration, development and production.

### Forward-looking information

This press release may contain forward-looking statements (within the meaning of applicable securities laws) relating to business of Orbit Garant Drilling Inc. (the "Company") and the environment in which it operates. Forward-looking statements are identified by words such as "believe", "anticipate", "expect", "intend", "plan", "will", "may" and other similar expressions. These statements are based on the Company's expectations, estimates, forecasts and projections. They are not guarantees of future performance and involve risks and uncertainties that are difficult to control or predict. These risks and uncertainties are discussed in the Company's regulatory filings available at [www.sedar.com](http://www.sedar.com). There can be no assurance that forward-looking statements will prove to be accurate as actual outcomes and results may differ materially from those expressed in these forward-looking statements. Readers, therefore, should not place undue reliance on any such forward-looking statements. Further, a forward-looking statement speaks only as of the date on which such statement is made. The Company undertakes no obligation to publicly update any such statement or to reflect new information

or the occurrence of future events or circumstances.
